

QuotePilot DP Transmitter Pricing Table Model QPSAH200S Version 1.0

Baseline Price

QPSAH200S base configuration price is 1000 dollars.

Pricing Rule

All default options have zero adders. All upgrades add cost. No credits are used.

Output Signal Type Adders

- A: Hart analog (baseline, 0)
- B: Fieldbus digital (+150)
- C: Profibus digital (+150)

Span Range Adders

- M: 4 to 400 inches (baseline, 0)
- L: 2 to 40 inches (+100)
- D: 2 to 20 inches (+150)
- F: 20 to 2000 inches (+200)

Wetted Material Adders

- G: 316 stainless steel (baseline, 0)
- A: Hastelloy (+200)
- B: Cover flange material (+50)
- D: Titanium (+300)

Process Connection Adders

- 3: Half inch NPT female (baseline, 0)
- 2: Quarter inch NPT female (+0)
- 1: No process connection (+0)

Housing Material Adders

- C: 316 stainless steel (baseline, 0)
- B: Aluminum alloy corrosion resistant (+100)
- A: Cast aluminum (+0)

Installation Orientation Adders

- 3: Universal flange (baseline, 0)
- 1: Horizontal (+0)
- 2: Vertical (+0)
- 4: Vertical left HP (+50)

Electrical Connection Adders

- 1: Half inch NPT female (baseline, 0)
- 2: G half inch female (+50)
- 3: Quarter inch NPT (+0)

Display Adders

- 1: With display (baseline, 0)
- 0: Without display (+0)

Mounting Bracket Adders

- C: Universal bracket (baseline, 0)
- A: 304 bracket (+0)
- B: 316 bracket (+50)

Area Classification Adders

- 1: General purpose (baseline, 0)
- 2: Explosion proof (+200)
- 3: Class 1 Div 2 (+150)
- 4: Canadian specs (+100)

Optional Feature Adders

- 02: Memory card (baseline, 0)
- 01: Signal cable (+50)
- 03: High corrosion coating (+150)
- 04: Unlimited software updates (+200)
